

State Eviction Protections Have Been Extended

Starting August 10, 2021, landlords cannot evict tenants for unpaid rent until June 30, 2022 unless they first:

- Give tenants information about the Virginia Rent Relief Program,
- Apply for rental assistance on the tenant's behalf, and
- Wait 45 days for the rental assistance application to get approved (14 days for renewal applications).

Free Rental Assistance is Available!

The [Virginia Rent Relief Program](#) (RRP) is a critical lifeline that can pay rent, past due amounts, and court costs for qualifying tenants as far back as April 2020.
